A MESSAGE FROM OUR COMPANY

This book is published as a reference guide to county farmland ownership. The men and women of our company, both in the advertising sales department and the map and directory branch, have spent months in your county soliciting advertisements, preparing up-to-date maps and compiling and arranging the directory information. All the enclosed data was compiled from the Official Public Records at your County Court House and elsewhere. Due to the continual sales and transfers of property, it is almost impossible to guarantee 100% accuracy. However, painstaking effort has been made to make this new Plat Book and Index of Owners the finest yet produced in your county. We do not accept any responsibility for omissions or errors. If you notice any omissions or errors in this, your County Plat Book and Index of Owners, please let our office know so that we may correct our records.

We wish to acknowledge the wholehearted, sincere assistance received from your County Officials and the excellent participation of the businessmen throughout the county. It was their cooperation and support that has made your County Plat Book and Index of Owners possible.
